

Are you ready to make your mark in healthcare in 2019 by helping your organization improve outcomes? Certified Professional in Healthcare Quality (CPHQ) is the industry standard certification for healthcare quality professionals.

Set yourself up for success in advancing the profession by earning the CPHQ and:

- demonstrate your competence in healthcare quality
- distinguish yourself from other healthcare quality professionals
- enhance your credibility
- demonstrate your dedication to the profession
- show your preparedness to improve outcomes across the continuum of care.

UAHQ is offering *A Quality Journey*, a review course for individuals interested in preparing for the CPHQ exam or anyone wanting to brush up on quality improvement principles:
